

Five More Top 25 Finishes on PGA Champions for Exotics

This past week on the PGA Tour Champions, a total of 13 Tour Edge clubs were in play at the Mitsubishi Electric Classic in Duluth, Georgia.

This led to another Top 10 finish and five Top 25 finishes for players playing Exotics CBX fairway woods, hybrids and ironwoods at the event and Exotics CBX ranked as the #2 hybrid model in play at the event.

Exotics CBX are now the hottest rising clubs on this tour and any other tour for that matter...the numbers don't lie.

- 25 different Champions players have put Exotics CBX into play in just a dozen events
- 75 different Exotics CBX in play over the first seven events of the 2018 season
- Tour Edge is averaging four Top 25 finishes per event so far this season
